Compensation: Stipend, expenses on the road are covered

Department: Events

Updated: Aug 2017

Join the PULSE team for the internship of a lifetime!

Work behind-the-lens on a national tour, earn the honorary title of road warrior, and be part of a team bringing the Gospel to hundreds of thousands through nightly stadium-sized events!

Primary Objective(s) of Position:

- Execute Photo/Video Capture of the event each night with excellence.
- Capture all aspects of life on the road through photography and video. As outlined in a Shot list and aesthetic direction.
- Create a weekly high energy recap video of that weeks Winter Jam nights for Together social media feeds.

Core Competencies:

- Ability to travel full-time during internship dates.
- Must own and use personal camera.
- Technical aptitude to edit epic photos and create epic videos. (double epic)
- A winning attitude. While being on the road is incredibly fun and your tour mates become family, days tend to be long and you'll be living on a tour bus so personal space/alone time is limited.
- Flexible, adaptable, and teachable.
- Demeanor, approach, and appearance reflects a level of professionalism and represents PULSE.

Key Responsibilities & Objectives:

- Work with the events team to successfully capture photos of what life is like on the road.
- Work with Creative Director to create social media content.
- Produce a recap video weekly to use for Together marketing.
- Be willing to shoot other video content as requested on the road.
- Learn what life on the road is like. Grow and improve each night's execution.
- Work well together as a part of a small, fun, and hardworking team.
- Complete a mid-semester evaluation and a final evaluation as part of the internship program.
- Engage in personal and team development opportunities presented by PULSE leadership.
- Any footage captured is owned by PULSE.
- Perform any and all other duties as assigned by your supervisor.
